*Based on a home with this Airhome configuration, the estimated wiring cost is between \$824 and \$2280. Wiring is not included in this price listed above. Consult your local builder or contractor for an installation price quote. This is not a formal invoice or quote. All pricing is subject to change.

*Airhome must be wired and installed in your home and requires an operational Wi-Fi® network that supports IEEE 802.11b/g standards for operation. **To access online music services and Internet radio stations, an Internet connection is required and a separate fee to an Internet service provider may apply. Airhome products are designed and manufactured by Zenovia Electronics Inc., a wholly owned subsidiary of Roswell Global, Inc. Wi-Fi is a trademark of the Wi-Fi Alliance. AirPort Extreme is a trademark of Apple, Inc. Focal is a trademark of Focal-JMLab. Airhome and Zenovia are trademarks of Zenovia Electronics Inc.
